Revival Fires

Coming to TV-49 April 21st through 28th starting at 7:00pm

Don't miss one night as these great evangelists come to TV-49. Bring your lost loved ones and friends to be a part of our studio audience. The first portion of our night will be a Praise-a-thon for lost souls. We are believing God for many salvations! The Bible says, "he that wins souls is wise" (Proverbs 11:30). "The harvest truly is plenteous, but the labourers are few;" (Matthew 9:37).

The statistics out there say that as of 2009 only 9% of adult Americans believe that the Bible is absolute truth. A survey also showed that even some "born again Christians" don't believe the Bible is absolute truth. This research shows that there are too many in the valley of decision and there is much work to be done for the Kingdom. We have the answer they are looking for and His name is Jesus Christ.

Consider this question: if you died tonight, where would you go, heaven or hell? If you don't know the answer or if the answer is hell, you don't have to stay that way. Also, if you've lost your fire and passion for Christ, your first love, consider joining us here at the TV-49 studios 1750 Knox Avenue, N. Augusta, SC 29841. Let us encourage you and share the truth we know with you. Call (803)278-3618 today to reserve your seat for free!

From the desk of Dorothy Spaulding

Now More Than Ever

The other day our friend Shawn told us about a conversation he had with his son. His son asked him, "Dad, what happens when you die?" He answered, "You've heard me and

your mom talk about heaven." "That's where you go if you have asked Jesus to be your Lord and Savior," his son responded. Shawn said, "Yes, and hell is where if you don't." Shawn then proceeded to explain to him what heaven was like and what hell was like according to the Bible. His son listened intently as he described hell, a place of eternal torment and darkness, of flesh burning, where the worm never dies, and of eternal separation from Father God, Jesus, and our Christian family. Shawn's son then said, "Dad, we must tell people before it's too late for them. People should never go there."

His response is exactly how each one of us should respond. Each soul is so precious to the Lord and should be precious to us as well. Proverbs 11:30 says, "he that wins souls is wise." Let us use wisdom and show the goodness of God to the lost.

We know that the return of the Lord is soon. In 2 Peter 3:10, we are told that Jesus is coming like a thief in the night. We don't know how much more time we have to minister the Gospel. What we do now for the Kingdom, **we must do quickly.**

Thank you for helping us to spread the Gospel through the airways. Your partnership is very important to us. **If everyone who gets this letter gave \$20.00, it would help us to continue having Christian Television that wins souls.** Consider partnering with us monthly at whatever level God puts on your heart. Your monthly support really does make the difference.

Your Partner For Souls,

Dorothy

Happy Resurrection Day

Because He lives we too can live! What a blessed hope that is for us who love Him and are obedient to His word.
